

## SentryLock University is now open!!

Greetings!

SentryLock is proud to introduce a new **on-line training program** that will enable you to use your lockbox system to its fullest potential!

### SentryLock University

will empower you with a deeper understanding of the lockbox system.

**This training site will allow you to view videos or review handouts covering all the important functions of the system.**

Each topic has its own set of information and quiz, so you can test what you have learned at your own pace. A comprehensive final exam is also available if you want to gauge your understanding of the entire system.

### SentryLock University

has three levels of achievement:

1. **SentrySilver Card** contains all the basics of the SentryLock system.
  - a. Encompasses a variety of different aspects of the lockbox system, while providing the most comprehensive amount of information.
2. **SentryGold Card** is for the advanced administrators.
3. **SentryDiamond Card** is for the elite of administrators.
  - a. We hope they have what it takes to complete.

**ENROLL NOW**

in our easy-to-use SentiLock University Site at [edu.sentrilock.com](http://edu.sentrilock.com) or through the SentiLock website under the new **SentiLock University** tab on the left column bar using your existing SentiLock login and password.

1. After you login, go to **Courses**, click on **SentiSilver Card**
2. Click on the **Enroll Now** button in the middle of the page

You are now enrolled and a member of the  
**SentiLock University!**

Only the SentiSilver Card course is open for enrollment at this time. We will open enrollment for SentiGold and SentiDiamond courses in the near future.

If you have any questions please contact your Customer Relationship Manager.
